EDUCATION

Vellore Institute of Technology

Bachelor of Technology, Computer Science Engineering

Chennai, Tamil Nadu

Aug. 2023 – May 2027

EXPERIENCE

Fullstack Intern

June - July 2025

Aspirify Enterprises Pvt Ltd

- Built, dockerized and deployed multiple **scrapers**, ensuring updated data entries in production database.

Software Developer

June - Aug 2025

PharmInc

- Developed the entire backend following **microservice** principle, ensuring scalability and reliability.
- Managed an **EC2** instance with dockerized services along with **backups** and **monitoring**.
- Worked with the frontend team to create reusable **api integrations**

VOLUNTEERING EXPERIENCE

Fullstack Developer

June 2025

National Agro Foundation — Public Charitable Trust

- Created a simple **data acquisition system** to process data collected from **live sensors**.
- Built a **dashboard** to display and analyze soil data reports.
- Built a **weather visualization** platform to show realtime weather updates in local villages.

Fullstack Developer

Feb - Apr 2025

Double Tick — Microsoft Imagine Cup, Idea Round Winner 2025

- Developed the backend and infrastructure, shifting from a **monolith** to **microservices**.
- Setup **CI/CD** pipelines using **github actions** for autodeployment to an **EC2** instance

PROJECTS

Lemons | Hono, Prisma, Minio, Docker, GitHub Actions

→ <https://lemons.adityajyoti.com/docs>

- Led a team of 12 and made a **REST API** for a hackathon management system.
- Set up auto **Build and Deploy** using github actions and docker.
- Created a comprehensive **template** supporting docs and actions.

Majdori | NextJS, Prisma, Postgress, Docker

→ <https://github.com/Majdori/>

- Building a one size fit all, **deployment ready** full stack web development project toolkit.
- Added core development supporters like ESLint, Prettier, Pre Commit Hooks and a **Github Actions Pipeline** for deployment to an EC2 instance via **docker compose**.

Recruitment Platform | Svelte, SvelteKit, Supabase, Prisma

→ <https://joinus.iiectsvitc.com/>

- Created a dynamic platform managing over **500 unique visitors**, handling the recruitment of over **400 people**, gaining **2000+ views**.
